## ***Choosing a Saint:***

***\*PLEASE put Saint name on the Confirmation Information & Recording Form***

Choosing a Confirmation Name: <http://www.americancatholic.org/Features/Saints/patrons.aspx>

13. Is taking a special name for Confirmation necessary?

In order to emphasize the close relationship between confirmation and baptism, it is preferred that candidates retain their baptismal names. However, a special name may be chosen if desired. Selecting a name for Confirmation involves a decision by the young person and their parents. It may be the first time that they have considered the lives of the saints as models or helpers for their lives.

If a baptismal name is a name foreign to Christian sensibility, then it is advisable that a name be chosen which reflects a recognized saint of the Church, a person from scripture or a Christian role model (Canon 855).

You can use your given baptismal name OR choose a saint name (see link above) which you desire prayer from.
